Participants

S. No.	Name	Attendance (Yes/No)
(i)	PRGI – Mr. Yogesh Baweja (PRG), Mr. Santosh Kumar (ADPRG), Mr. Ratnakar Pamula (DPRG), Mr. Deepak and Mr. Gaurav,	Yes
(ii)	Uneecops – Mr. Abhay Kumar (Project Manager), Mr. Manoj Bhugra (Delivery Manager), Mr. Vinay Kumar (Business Analyst),	Yes

Summary of Discussion

(i)	Registration Number (Reg_No) Data Synchronization It was observed that for legacy registrations (Registration Nos. 1 to 72,558), only the old registration number is currently being displayed instead of the PRGI-generated Reg_No. This issue is impacting modules such as Annual Statement (PSP) and Cancelled Title List (PRGI Website).
(ii)	CBC Integration for Regularity Module API sharing with CBC department is required for Regularity Module. Mr. Gaurav will share the required field specifications and payload with Uneecops to facilitate the integration.
(iii)	CV Appeal Process A status update on the Go-Live readiness of the CV Appeal Process is pending.
(iv)	Source Code Handover Uneecops has shared the complete source code for Press Sewa Portal with PRGI-NIC team on 30 th June'26
(v)	Updated Language Master The revised and approved Language Master list will be shared by Mr. Hitesh Rawat (PRGI) for

	incorporation into the Press Sewa Portal.
(vi)	Annual Statement Revision Window It was agreed that the Annual Statement Revision Window will remain open from 16 July 2026 to 31 July 2026.
(vii)	State, District and City based on Pin code Auto-Population It was discussed that the State, District and City fields will be auto populated based on the selected PIN Code. Uneecops is analyzing the data as there is no source for validating the city data.
(viii)	The distance between the Printing Press Address and the Place of Publication is to be captured in New Registration, New Edition and Revised Registration. A text field will be added in the application form of all the modules to capture the distance in KM
(ix)	The Delhi District–District Magistrate (DM) mapping will be shared with the PRG and ADG for validation.
(x)	Legacy Penalty Data NIC will share the legacy penalty data of registered titles to review and plan its migration and updation in the Press Sewa Portal (PSP).
(xi)	Cancelled Titles Activation Uneecops will ensure that cancelled titles are activated along with their corresponding Annual Statement (AS) details by 03 July 2026 (Friday).
(xii)	IPR Secretary Dashboard The IPR Secretary Dashboard to be reviewed and finalized in preparation for the upcoming All State Secretaries Meeting scheduled for next month.
(xiii)	Mobile Application Demonstration Go-Live approval for the Mobile Application has been received from PRGI.
(xiv)	As per recommendation by PRGI, AI solution to be used for Press Sewa Portal development should be MeitY empaneled.
